
O6: INTENSIVE COURSE FOR ADULT LEARNERS

ONE DAY IN THE SHOES OF “THE OTHER”

Focus Group Guidelines

At the end of the intensive course a 10-15 minute Focus Group will be organised with all the participants of the training course “One Day in the Shoes of The Other” (adult learners).

Below there are guidelines on how to implement the Focus Group. The following structure is indicative and may be adapted by the Focus Group facilitator in respect to the specific context. The group facilitator will take notes on the discussions; the main findings and results from the Focus Group will be included in the national report about the intensive course. If possible, the Focus Group will be recorded in video or audio format (in this case, a prior written consent form will be requested from participants).

The Focus Group will be organised around the questions below:
